

EZ SAVER

Qualifies for \$1500 in Tax Stimulus Incentives.

**Single Strength
Dual Pane LoE³ Glass
with Argon Fill**

Features & Benefits

- Single Strength, Dual Pane LoE³ Glass With Argon Gas Fill helps reduce heating and cooling costs.
- Fusion-welded frame and sash create strong, weather tight corners.
- Dual weatherstripping virtually eliminates drafts for a more efficient home.
- Both top and bottom sash tilt in for “EZ” cleaning from inside the home.
- A colonial brickmold profile offers a traditional appearance.
- Constant force balance system for smooth operation.

Multi-Chambered frame and sash provide increased rigidity and energy efficiency

Heavy duty, fusion welded construction for a strong, weather tight seal

Hardware features simple unobtrusive designs and is color coordinated to blend with the window

Vent latches allow for partial ventilation

True slope sill prevents water from building up in the sill and leaking into the home

Maintenance free vinyl will not peel, flake or corrode, therefore never needs painting

Warm Edge ENERGY STAR[®] insulated glass

Grilles are sealed inside the glass for easy cleaning.

Tilt in sash for easy cleaning from inside the home
