

The perfection of a factory finish.

Nothing beats a factory finish performed with state-of-the-art equipment under rigorously controlled, ultra-clean conditions. Hurd gives you two premium options: Ultra Stain and Ultra Coat.

Ultra Stain is an advanced, seven-step process that brings out all the beauty of your wood interior. Ultra Coat uses a unique, specially formulated, two-part catalyzed polyurethane paint. It's the white interior paint that's so durable, it could be used outdoors.

Both factory finishes are so tough, they resist scratching and marring, and so superior, they provide advanced protection against moisture.
