

Turn basic into boastful.

Here's how to make our windows uniquely yours. Personalize them with the classic charm of our wood grilles. Add the authentic styling of our updated divided lites. Or you might choose to warm your dining room with our leaded or stained glass windows.

Hurd divided lite

Hurd divided lites give you the classic appeal of traditional divided lites, but without the energy loss caused by individual glass panes. Extruded aluminum outside, natural wood inside, and optional spacers between the glass. Also available in all-wood version.

Removable wood grille

Our removable wood grille is the affordable, convenient alternative to divided lites. Simply pop out the grille, wash the window, and pop it back in. Available as full surround in select pine or optional wood species.

Grilles in airspace

This is the easiest way to achieve the divided lite look. We actually seal the grille between the panes of glass. So you get the visual appeal you want without the grille ever getting in your way.

Grilles in airspace come in your choice of profiles: 11/16" or 1" contour or 5/8" flat. Two-tone grilles also available.

Grille configurations

Your grilles can be as traditional or as unique as you choose. Our standard configurations include rectangular and Queen Anne. But with our custom configurations, we're ready to transform your inspiration into reality.
